Re: *United States of America v. Jahson Feverie*
Ind. No.: 17 Cr. 283 (LAP)

Dear Judge Preska:

Sentencing on this matter is set for March 15, 2023. As the Court may remember, Mr. Feverie had sustained a serious medical issue which led to his admission into a hospital for treatment. Presently, he is now in a rehabilitation center, and has been there for several months. In addition, the Court has authorized sentencing mitigation experts to assist the defense, and their work is ongoing and requires more time. Without objection from the government, I respectfully request that Mr. Feverie's sentencing be adjourned for at least 90 days.

Thank you for your consideration.

The sentencing is adjourned.
The parties shall appear for
sentencing on June 28, 2023,
at 10:00 AM in Courtroom 12A.

SO ORDERED
